SIBLINGS DISCOUNT

There are a number of families who use the Out and About Project for more than one of their children. In recognition of this, we have enhanced our charging policy to include a Siblings Discount Scheme.

Terms & Conditions

Sibling definition. Sibling Discount may be granted to a family who have more than one child registered the Out and About Project. A sibling is classified as two or more children having one or both parents in common, i.e. a brother or a sister.

Rate of discount. You will be charged, for each child, at 75% of the full cost.
Example: if you have two children attending, the contribution will be reduced from £11 for a Mencap Night In event to £8.25 for each child.

How it is applied. If you are eligible for Sibling Discount **you will automatically have the discount applied.** If your child/children leave the project and only one child remains on the register, the fees charged will revert to the full cost.

Review. This policy will apply from 01/04/2024 – 31/03/2025 and will be reviewed in March 2025.

Note. As a registered charity, we fundraise to meet the shortfall in our Leeds City Council grant, **please let us know if you do not need the discount.** We rely on income from families' contribution for longevity of service.

Where families feel that they are unable to pay anything and are asking for the contribution waiving this would be referred to the trustees for their decision.
